

## IMPORTANT PLAN INFORMATION

April 2022

**Important  
information  
about your health  
care coverage**

Dear Fallon Health Member,

As you may have heard, Fallon Health announced last April that it would be discontinuing certain employer sponsored health insurance plans and moving their focus to providing plans for individuals enrolled in government sponsored programs like Medicare and Medicaid.

The Fallon Health plans currently offered to Group Insurance Commission (GIC) members - Direct Care and Select Care - will no longer be offered as of July 1, 2022. This means you will need to elect a new health plan during the GIC's 2022 annual enrollment period. For information regarding your health plan options, please refer to GIC's Benefits Decision Guides on [mass.gov/GIC](https://www.mass.gov/GIC). **If you do not select a new health plan by May 4, 2022, the GIC will automatically enroll you in the UniCare PLUS health plan effective July 1, 2022.**

We understand that you may have questions. Please refer to the enclosed FAQ on the back of this letter.

You have been a valued customer, and we thank you for your business.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Perron".
